

Mouse Anti-human Albumin, clone #: A11-12H5 Monoclonal Antibody

Catalog Number:	PT-mAb-A11-12H5
Quantity:	100ug
Concentration:	1mg/mL
Specificity:	Human
Immunogen:	Human Albumin
Isotype:	IgG
Supplies As:	Protein A purified; 50% Glycerol
Storage:	-20 °C

Applications and Suggested Dilutions*:

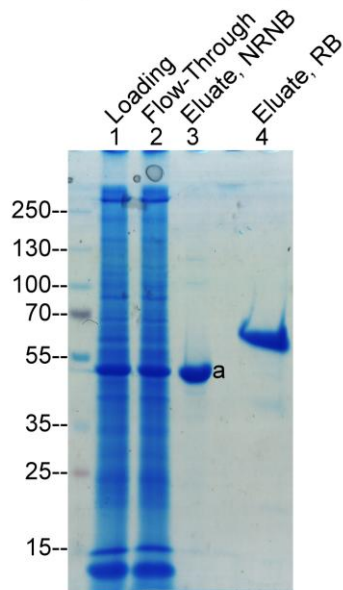

Western Blot: 2 µg/ml;

Immunohistochemistry: 2 µg/ml

*Specific dilutions and blocking conditions should be determined by the investigator.
